

INSTITUTE OF CORPORATE GOVERNANCE OF UGANDA

Three-Day split Corporate Governance Training, 2020

In our efforts to equip individuals with Corporate Governance best practices, the Institute of Corporate Governance of Uganda organizes corporate governance trainings for Senior Management, Committee Members, Compliance Officers, Company Secretaries, Audit Professionals, Risk Management Professionals, Change Managers, Accounting Professionals, Procurement Professionals, to mention but a few which take place twice a year.

The ICGU specializes in training Senior Managers and Board members in corporate governance practices for sustainability of their organizations and personal career growth through continuous professional development. With the growing need for practical skills, this comes in as the best tool to equip Directors and Senior Managers with their duties and responsibilities to manage their organizations based on the best principles of Corporate Governance.

The Institute therefore is pleased to recognize and congratulate members who have undertaken Corporate Governance trainings for their professional growth.

We urge more individuals to undertake these trainings to understand the need for effective Corporate Governance Standards and how to implement them in their respective organizations.

The next intake for the Three-day split Corporate Governance training is scheduled for 26th March, 30th April and 28th May, 2020.
